

Truganina Community Centre (interim name) - Quarterly Update

FEBRUARY 2023

Site cleansing hosted, work is underway!

Bunurong Elder Uncle Mik Edwards and his son Eric lead Councillors and community in a traditional cultural site cleansing ceremony to honour the importance of connection to land, family, culture and community. This ceremony was the first of its type held in Wyndham and it represents our commitment to building genuine partnerships with the Traditional Owners of the land on which Wyndham is being built.

Construction has begun and our construction partners CIGG are busy excavating before the foundation can be laid.

We want to take this opportunity to thank the local residents who have participated in the community engagement workshops for helping co-design the building and services. This input ensures the aspirations and needs of the community are embedded in this new centre.

Truganina Community Centre vision

"The Truganina Community Centre is the neighborhood's lounge room.

It's a safe, warm and enticing place where local people of all ages and backgrounds gather, connect and engage in community.

It partners with local people to reflect, nurture and help sustain who the local community is and the services, activities and spaces it needs."

Developed by community 2021

MILESTONES ACHIEVED TO DATE

- Design completed
- Contract awarded
- Cultural Site Cleansing Community Event
- CIGG Staff Site Cleansing
- Construction commenced
