The exterior of the new Youth Space will be transformed by Wyndham artist Ayelet Brooks. It will feature a mural with a natural colour palette that is inspired by the You Yangs and the surrounding landscape.

In addition, Grade 5 and 6 students from Little River Primary School will have the opportunity to leave their mark on the mural project that celebrates youth, creativity, and community.

The upgrades to the park also include:

- New playground equipment and bouldering wall
- Upgraded sports court
- Upgraded sheltered BBQ area
- Attractive new landscaping

This project is supported by the Victorian Government
